The Louisiana Sugar Cane Foundation, Inc., a non-profit organization founded to increase public awareness of the Louisiana sugar industry through education and stewardship opportunities, is sponsoring a congressional staff trip to Louisiana on November 10-12, 2022. The purpose of the trip is to give staffers an opportunity to visit the Louisiana sugar industry to gain firsthand knowledge of sugarcane research, harvesting and processing operations, and to discuss the impact of the sugar industry on Louisiana.

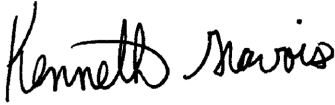

The Foundation would like to extend an invitation to you to participate in this trip. As a participant, you will depart from Ronald Reagan National Airport on American airlines flight # 5277 on Thursday, November 10, 2022 at 8:36 a.m., arriving in New Orleans International Airport at 10:51 a.m. From New Orleans, you will ride by chartered bus approximately one hour to the USDA-ARS Sugarcane Research Laboratory in Houma. When you first arrive, we will brief the group on the itinerary and discuss the impact of Hurricane Ida on the Louisiana sugar industry. At a luncheon presentation, the history of the Louisiana sugar industry will be reviewed. After lunch, a site visit will focus on the research to improve sugarcane production practices that help farmers manage risks through improved variety development. You will depart Houma for Thibodaux for a site visit of the John Deere Thibodaux plant, which manufactures cane harvesting machinery. Hotel accommodations for Thursday evening will be at the Hampton Inn in Thibodaux, and a dinner is scheduled at 6:00 p.m. at the Tractor Barn. You will return to the Hampton Inn at 8:45 p.m.

On Friday, participants will visit a sugarcane farm in Labadieville, followed by a site visit of Lafourche Sugars in Thibodaux to experience the steps required to make raw sugar from sugarcane. A box lunch will be served enroute to the Louisiana Sugar Refinery in Gramercy. Here Dr. Michael Deliberto, an agricultural economist with the Louisiana State University Agricultural Center, will discuss the impact of the sugar industry on the Louisiana economy. Following lunch, you will have a site visit of Louisiana Sugar Refinery. Here you will see the process of producing refined sugar from raw sugar. After departing the refinery, you will arrive at the Astor Crowne Plaza in New Orleans where you will be staying for the night. That evening, dinner will be provided at a nearby restaurant. On Saturday morning, breakfast will be provided at 7:30 a.m. in a designated room of the Astor Crowne Plaza. At 8:30 a.m., a shuttle will transport you back to the New Orleans airport for your American Airlines flight #4543 departing New Orleans at 10:59 a.m. arriving at Washington Reagan at 2:29 p.m. The Foundation will assume all travel, lodging and meal expenses associated with the trip. Vouchers will be distributed to cover the costs of local transportation to and from National Airport.

Participating Senate employees must submit the attached completed form to the Ethics Committee at least thirty (30) days before the date of the proposed trip. If you have any questions regarding the Senate rules, please contact the Ethics Committee at 202-224-2981.

We hope you will be able to join the Foundation on this fact-finding trip. We believe it will be a worthwhile experience and that you will gain a better understanding of the Louisiana sugarcane industry. **Space is limited, so please advise us as soon as possible if you will be able to participate or if you have any questions.** The best way to contact us is via e-mail at admin@lasugarfoundation.org. Someone will return your call as soon as possible.

Sincerely,
